Dear Mr. Nichols:

Thank you for your letter dated February 28, in which you offer to provide musical performances at the Mesa Arts Center.

I'd like to correct an apparent misconception you hold about our facility. It is not called the "Mormon Arts Center," but rather the Mesa Arts Center. We are not affiliated with the Mormon Church, but are an agency of the City of Mesa municipal government.

Further, let me assure you that our programs are open to all people, regardless of religious affiliation.

If you'd like, please forward a tape of a past performance for our review. Send that item, along with a resume or performance history, to our Concerts and Events staff person, Deanna Hancock. Deanna's direct phone line is 480/644-5116. I appreciate your interest in our Center.

Sincerely,

Robert Schultz
Arts Administrator
